Large Flower, Pink								

## .. *Gladioli* ..

These bulbs are all graded standard sizes. No. 1 bulbs often split and give more than one bloom, while No. 2 will give just as good a flower but possibly a few days later. Nos. 3 and 4 bulbs bloom in most varieties with smaller blooms but will produce more bulblets than larger varieties. If you are willing to wait a year or two, bulblets will grow you cheap bulbs. Some of the varieties of bulblets bloom the first year but usually the second and in a few slower varieties the third year.

These prices hold good until stock for sale is sold in which case the money will be refunded. Some varieties are limited.

All bulbs listed have had special care to be kept true to name. In case of a mistake or any proving untrue to name I will refund the money paid or as many more bulbs.

Six will be furnished at dozen rates, 25 at 100 rate, and 250 at 1,000 rate.

We cannot guarantee the crop but will guarantee satisfaction of bulbs on arrival.

All orders under \$10.00 prepaid in U. S.
